Over the next few weeks, the **ASHRAE St. Louis Chapter** will be spotlighting our 2020 **ASHRAE Technology Award Winners**. The **ASHRAE Technology Awards** recognize **ASHRAE** members who design and/or conceive innovative technological concepts that are proven through actual operating data.

This week we congratulate our winner for New Healthcare Construction: **CannonDesign** for the Mt. Sinai Medical Center, Skolnick Surgical Tower and Hildebrandt Emergency Center.

Congratulations to both **CannonDesign** and Mt. Sinai Medical Center for winning a 2020 **ASHRAE Technology Award**!
