**NOW,
ALL YOU NEED
IS ONE**

B&G solves for versatility with one pump that replaces 70.

With the all-new ecocirc® 20-18 and ecocirc+ 20-18 variable speed ECM smart circulator, Bell & Gossett ushers in a new era of efficiency, ease of use and control. A superior solution for heating, cooling and potable water, this versatile circulator replaces up to 70 different pumps on the market. It's also the only pump you need on the truck for multiple applications. Both models are supported by our industry-leading rep organization, and the ecocirc+ allows for wireless connectivity. Enter a new era today, learn more at bellgossett.com.

e-90E SMART PUMP

SERIES e-90E SMART PUMP

HIGH-PERFORMANCE COMBINATION SIMPLIFIES COMPLEX INSTALLATIONS

Combining the hydraulic pump, variable speed drive and smart motor is the right package to deliver reliability, savings and rapid ROI. This easy to install, pre-packaged Smart Pump makes complex installations quick and easy. You'll benefit from the power, intelligence and performance of the Series e-90E Smart Pump right out of the box.
